---

### KEY SELLING NOTES:

- Savory and complex
  - Burgundian-style red
  - VQA South Islands
  - Demands white linen with candles!
- 

### TASTING NOTES:

Even though technology has enabled us to produce wine on a larger scale, the art of wine making itself has remained very much the same. It is still a combination of soil, weather coupled with the skill of the individual winemaker which influences the outcome of each variety and vintage. This is why we want you to meet the people behind our wines. The Vinedressers series highlights their best wines.

Deep red in colour. Even tempered and well presented, this Pinot Noir exhibits a smoky bouquet. Cherry fruit and chocolate will envelope in the glass for a rich and lasting finish on the palate.

**Pair with:** Chargrilled steak, duck confit or gorgonzola dolce.
